For another day- Unresolved:

1. HOLD until Engineering Discussions-If step system- when should we begin interim requirements of new systems, specification of the types of tanks (if step system), in what locations to potentially have servicing district purchase in future, pro-rated? Marion Forks Log Deck viability? (This may be determined based on what are the legal requirements for service)
2. County- Denials of permits, full time v. part time residents, forgivable loans?
3. State policy work-Three Basin Rule to allow for Class A discharge back to North Santiam River or well recharge, Temporary septic rules for communities in transition (is there even a possibility with ODEQ)
4. State and Federal –Policy to funding mechanism to include seed money for replacement costs and broadband fiber deployment dig once - Public Policy development
5. Long term leadership development- SDAO Training- “Special Districts Duties and Obligations: Comprehensive Training for Board Members”
6. Initial start cost for hookup to system \$1,000??
7. Enforcement options?- Lien on properties until property sells?
